SERPENT

Like a colorful, coiled snake, Serpent is one of our most striking designs. Its exceptional pattern of bristles and scales combines hair on hide and decorative techniques in shades of green, brown, yellow and black. Aniline dyed in Italy, each Serpent article is truly one-of-a-kind due to differences in color density and other hair on hide traits; a remarkable hybrid of artisan style and high-end fashion.

CARE INSTRUCTIONS

Hair on hide articles are naturally stain-resistant and require minimal care. To remove loose debris, shake out the article or use a soft bristle brush by brushing in the direction of the mane. Vacuum cleaning in the direction of the mane is also acceptable as long as the brushes are NOT SPINNING on your vacuum.

Rotate the article periodically to preserve its luster and longevity. Where possible, AVOID direct sunlight or areas that routinely get wet.

For spills, gently blot the area immediately with a clean cloth or sponge without applying force. If needed, dampen cloth or sponge with warm water and let the area dry naturally.

Do NOT soak, machine wash or steam clean. Do NOT dry with hair dryers. Do NOT use saddle soaps, cleaning solvents, oils, polishes, varnishes, detergents, bleach or ammonia.
